Commonwealth of Massachusetts The Trial Court Probate and Family Court Hampden Probate and Family Court 50 State Street Springfield, MA 01103 Docket No. HD24P2099GD
In the matter of:
Lawrence Laamanen Of: Palmer, MA RESPONDENT
Alleged Incapacitated Person
CITATION GIVING NOTICE OF PETITION FOR APPOINTMENT OF GUARDIAN FOR INCAPACITATED PERSON PURSUANT TO G.L. c. 190B, §5-304

To the named Respondent and all other interested persons, a petition has been filed by **Palmer Healthcare Center of Palmer, MA** in the above captioned matter alleging that **Lawrence Laamanen** is in need of a Guardian and requesting that **Kimberly Camp of Westfield, MA** (or some other suitable person) be appointed as Guardian to serve **Without Surety** on the bond.

The petition asks the court to determine that the Respondent is incapacitated, that the appointment of a Guardian is necessary, and that the proposed Guardian is appropriate. The petition is on file with this court and may contain a request for certain specific authority.

You have the right to object to this proceeding. If you wish to do so, you or your attorney must file a written appearance at this court on or before 10:00 a.m. on the return date of 10/31/2024.

This day is NOT a hearing date, but a deadline date by which you have to file the written appearance if you object to the petition. If you fail to file the written appearance by the return date, action may be taken in this matter without further notice to you. In addition to filing the written appearance, you or your attorney must file a written affidavit stating the specific facts and grounds of your objection within 30 days after the return date.

IMPORTANT NOTICE
The outcome of this proceeding may limit or completely take away the above-named person's right to make decisions about personal affairs or financial affairs or both. The above-named person has the right to ask for a lawyer. Anyone may make this request on behalf of the above-named person. If the above-named person cannot afford a lawyer, one may be appointed at State expense.

Wing Hospital Achieves Top Safety Ratings and Operational Efficiency

PALMER — Baystate Wing Hospital has made significant strides in patient safety and operational efficiency, earning national recognition. The hospital, one of only two hospitals in Massachusetts to achieve zero C. diff (Clostridioides difficile) cases according to Becker's Hospital Review, has been awarded a prestigious Leapfrog A rating for its commitment to healthcare quality. Mithilesh Kumar Vellaimuthu Kaliyamoorthy, (Mithilesh), operations excellence partner, has been a key collaborator in the successful implementation of the Daily Management System (DMS), Oopsie Daisy Falls Prevention Initiative (OOPSI-DC), and the Video Monitoring System (VMS) at Baystate Wing Hospital which has set a benchmark for community hospitals in delivering exceptional care.

"Improving hospital safety and efficiency is at the heart of what we

do," said Mithilesh. "At Baystate Wing Hospital, we've implemented processes that not only reduce risks but also streamline operations, allowing our staff to focus on delivering the best care possible."

Leadership and the Baystate Wing Team Collaboration Fuel Success

While Mithilesh's expertise has been instrumental in guiding these improvements, the unwavering support and dedication of the entire team at Baystate Wing Hospital has been key to its success. From the clinical team to the administrative leaders, everyone has played an integral role in creating a culture of safety, collaboration, and continuous improvement. "Our team has truly embraced these changes, and without their hard work and commitment, none of these achievements would have been possible," Mithilesh added.

"Their willingness to learn, adapt, and put patient safety first is what sets Baystate Wing Hospital apart. The leadership team has empowered the staff to take ownership of these initiatives, and the results speak for themselves."

Daily Management System (DMS) Brings Efficiency Gains

The Daily Management System (DMS), which launched at Baystate Wing Hospital in April 2022, has been a cornerstone in driving operational improvements. The DMS focuses on fostering a culture of continuous improvement and accountability. Key results from the DMS initiative include:

A 15% improvement in workflow efficiency, reducing delays in patient care.

Enhanced coordination among clinical staff, leading to smoother patient flow and quicker deci-

sion-making. Significant cost savings through optimized resource utilization and reduced operational waste.

Oopsie Daisy Falls Prevention Initiative (OOPSI-DC) Reduces Falls in Geriatric Psychiatry

Focused on enhancing patient safety in the Inpatient Geriatric Psychiatry Unit, the OOPSI-DC initiative successfully reduced falls by 25%. This initiative, tailored for high-acuity older adult patients, was designed to address the specific risks faced by this population, which includes those with dementia, depression, and psychosis. Interventions included:

Enhanced fall-prevention protocols and patient monitoring systems.

The introduction of visual cues like the "Oopsie Daisy" sign outside high-risk patient rooms.

A comprehensive staff training

program, ensuring proactive fall-risk management.

Video Monitoring System (VMS) Reduces Falls in Med/Surg Units

The VMS has played a pivotal role in reducing patient falls in the Med/Surg units. This system, which involves continuous video monitoring of at-risk patients, has shown a direct correlation between increased VMS usage and a significant reduction in falls. Results include:

A notable decrease in falls per 1,000 patient days, significantly improving overall patient safety.

Enhanced operational efficiency through better management of patient flow and real-time monitoring.

"Baystate Wing Hospital's recent recognition with a Leapfrog A rating and distinction as one of only two hospitals in Massachusetts to achieve zero C. diff cases are testaments to its dedication to patient

safety and quality care," said Karli Barrett, president of Baystate Wing Hospital. "These accolades reflect the success of the Daily Management System, along with the collaborative efforts of the entire Baystate Wing Hospital team in implementing systems that enhance both operational efficiency and patient outcomes."

Looking Ahead! With the success at Baystate Wing Hospital and Baystate Health, Mithilesh Kumar V K's dream is to share and expand his expertise as a consultant, helping hospitals across the country embrace Lean Six Sigma methodologies. His vision is to guide healthcare institutions on their own journeys toward improved patient safety and operational efficiency, ultimately transforming the landscape of community healthcare nationwide.
