## VACCINE from page 16

65 and older, [and the] Pfizer COVID pediatric and adult doses," Jenks said.

For the clinic, which ran from 10 a.m. to 1 p.m., held appointment slots for families with children, but also welcomed walk-ins to receive their vaccines.

"We had fifty-one appointments with some individuals getting more than one vaccine, like COVID and flu," Jenks said.

The town of Granby has a special partnership with the Hampshire Public Health Shared Services Collaborative, and that made it so that the school was able to offer the clinic to the community.

"Additionally, we were also able to provide written health educational materials in English and Spanish as well as free rapid antigen COVID tests to all interested individuals who attended," Jenks said.

They day was successful point of outreach in order to ensure that the community was able to access any and all vaccines they needed, regardless of their situation, in order to benefit from these vaccines.

"Our favorite part of the day was working with the Northampton Public Health Nurses and getting to meet everyone who came to be vaccinated," Jenks said.

Through the Public Health Excellence Grant for Shared Services, the Northampton Department of Health and Human Services is hosting Flu and COVID vaccination clinics, as well as homebound vaccine visits.

For more information about these opportunities, you can visit their website at <https://northamptonma.gov/2476>, or call 413-587-1214.
