## MMWEC Offers Scholarships to LHS Seniors

LUDLOW—Applications are now open for the 2025 Municipal Massachusetts Wholesale Electric Company (MMWEC) scholarship.

MMWEC is offering two \$1,000 scholarships to qualifying seniors from Ludlow High School who are planning to attend either a twoor four-year college. Eligible students must plan to pursue a degree in engineering, environmental sciences, finance, accounting, or a related discipline.

Scholarship recipients will be awarded based on several factors including academic achievement, area of study, and need. All seniors planning to pursue one of the specified academic areas are encouraged to apply, regardless of their class ranking.

To be considered, students must submit all required documents including a letter of recommendation from their school counselor and a letter detailing their educational and professional goals. Application and submission details will be shared with students via their school counselors. The deadline to apply is Friday, May 9.

As part of its commitment to the community, MMWEC has awarded \$66,000 in scholarships to help local students defray the cost of higher education since the inception of the scholarship program in 1998.

MMWEC is the joint action agency for public power in Massachusetts, providing a variety of power supply, financial, risk management and other services to the state's consumer-owned, municipal utilities. MMWEC is the operator and principal owner of the Stony Brook Energy Center on Moody Street and has been a corporate resident of Ludlow for nearly 50 years.
