Community Survival Center.

After Santa arrived and led the countdown to light up the tree, Rotary Club President Peter Salerno was thrilled with the turnout.

"Santa brings a lot of joy to a lot of different people. We love doing that as a member of the Rotary Club. We will continue to do that as long as we're

able to do it," Salerno said.

Timothy Tracy, the branch manager at LUSO's Wilbraham branch, is also a Rotary Club member.

"We love to sponsor local events and we've done this for a number of years now. It's great to help the community," Tracy said.

Salerno expressed his gratitude to the community for their support,

stressing the Rotary Club is here for them and they want to give back.

"We're very proud of Wilbraham, we're very proud of Hampden, we're very proud of the area and I'm very proud of the people. I've been in town for 53 years. For 53 years, I've enjoyed being a part of the community. I am not the community, I am part of the community," Salerno said.

PUBLIC NOTICES

Wilbraham Conservation Commission LEGAL NOTICE

The Wilbraham Conservation Commission will hold a Public Hearing on **Monday, January 13, 2025 at 6:00 PM** at the Wilbraham Town Hall, 240 Springfield Street, on the Notice of Intent submitted by CRP Red Bridge LLC. This Notice of Intent was prepared in accordance with the Massachusetts Wetlands Protection Act and the Wilbraham Wetlands Bylaw. This project includes work within Land Under Water Bodies and Waterways, Bordering Land Subject to Flooding, Bank, Bordering Vegetated Wetland and the 100' buffer zone totaling approximately 34,830 square feet of temporary impacts and 10,640 square feet of permanent impact. This Notice of Intent is being submitted to secure an Order of Conditions for the work completed during the Emergency Certificate issued after the foundation and powerhouse collapse and to continue to perform geotechnical borings to gather needed data to complete final designs for the permanent foundation repair and replacement of the powerhouse. The property is located at 5 Red Bridge Road. Further information relating to this application is on file with the Conservation Commission.
